

## **Medical Studies on Dermal Filler Treatments**

The Cosmetic Skin Clinic is a UK leader in dermal filler treatments. [Dr Tracy Mountford](#), the clinic's founder has been consistently voted as one of the UK's 'Best Filler Doctors' in *Tatler's* much celebrated Plastic and Cosmetic Surgery guide.

We offer a range of clinically proven dermal filler treatments for all areas of the face to reverse signs of ageing. Explore our [dermal filler treatment page](#) for full details of these treatments. Dermal Fillers have been medically approved by the FDA for safe and effective use. If you would like to find out further medical information about the effectiveness and benefits of dermal fillers, explore these approved academic papers, medical journals and studies which verify their efficacy.
